

Adapter Ring Types

SO - **Slips Over** exterior of lens barrel and clamps down. Used for lenses without lens thread.

SS - **Set Screw** - slips over exterior of lens barrel and a screw tightens to lens barrel

Screw - Screws onto lens thread and allows you to use Series 6 accessories such as filter, hood.

These adapters **do not** come with a retaining ring unless specifically noted.

F = fine or smaller than average thread pitch, questions contact us.

Series 6 Adapter Rings

Tiffen and Kodak

Drawer	From	To	Brand	Color	Type	No.	Condition Notes
601	29.5mm	Series 6	Kodak	Chrome	Screw On	29	VG+ - comes w retaining ring
